## Chairman's Chat

A successful AGM was held in October, followed by an enjoyable braai after the meeting.

The committee was re-elected unchanged for the next year. Thank you to all members for their continued support in the Committee.

John Craig is shortly heading for the coast and therefore we are looking for a volunteer to take over the running of our Door Raffle held at our monthly Noggin. Thank you John for your dedication and commitment in handling this good fund raiser for the club.

Our Christmas Lunch will be hosted by Pretoria on Sunday 1<sup>st</sup> December. Eddie and Gizelle have opened their house for this wonderful event. A Christmas lunch with a difference - looking forward to this. Please make your booking and payment.....details later in this newsletter.

It is only 7 months to go, before Jo'burg host the National Gathering at the Golden gate, Clarens (1<sup>st</sup>May to 5<sup>th</sup>May 2020) . Accommodation is filling up so book your place now to avoid disappointment.

Cheers,

*Norman*

## Tail End Giggle

A very self-important college freshman attending a recent football game took it upon himself to explain to a senior citizen sitting next to him why it was impossible for the older generation to understand his generation. 'You grew up in a different world, actually an almost primitive one,' the student said, loud enough for many of those nearby to hear; 'The young people of today are much more advanced than people your age. We grew up with television, jet planes, space travel, man walking on the moon and the internet. We have cell phones, nuclear energy, electric and hydrogen cars, computers, automated manufacturing, amazing technologies, ...and,' pausing to take another drink of beer.

The senior took advantage of the break in the student's litany and said, 'you're right, son. We didn't have those things when we were young... so we invented them.'

Now, you arrogant little shit, what are YOU doing for the next generation?  
The applause was resounding... I love senior citizens.
