

TRIUMPH CLUB of SOUTH AFRICA

CHAIRMAN's UPDATE

Greetings to all Triumph members.....what a terrible year we have been through, with our members itching to get their Triumphs on the road again. Let's hope 2022 will show some glimpse of normality.

During October some members, together with the Pretoria branch, ventured out on a run to the Cradle of Humankind led by our guide...Alastair Stalker in his TR6. It was a most enjoyable drive and informative insight into the history of the area.....thanks to John Dobbins for arranging this event.

Our Pretoria group hosted the Christmas lunch at Bill Sales' car museum with the seating arranged in his warehouse, amongst his collection of Triumphs and other classics. It was great again to enjoy the company of like-minded classics enthusiasts and also a delicious lamb on the spit. Well done to the Pretoria team!

Your committee has reviewed the location of our future Noggins and has negotiated with the VVC, with the option of holding our Noggins on the *Third Saturday afternoon of the month* instead of our usual Tuesday evenings. This will then hopefully enable more members to attend and drive their Triumphs to the Noggins. Can we have some feedback from members regarding this proposed change????

National Gathering 2022.....yes! We are confident that some normality will prevail, and that we can at last host this long anticipated event....*SAVE the DATE*....*Friday 29th April to 3rd May 2022*....more details to follow.

The annual renewal of membership subscription is now due. Your committee has decided to keep the subs unchanged from last year!
